Jason Keith Fernandes will participate in the debate “Deve Ser Português Quem Nasce em Portugal? A Reforma da Lei da Nacionalidade.” held on 28 November 2017, within the ambit of the Conference “Migration, Citizenship, Human Rights” organized by the Faculty of Law, Universidade Nova de Lisboa.

In his contribution to the panel that debates the change to the nationality laws in Portugal, Fernandes will suggest that a reference to the concept of empire could help us more than we realize in present times.
