Devsurabhee says, "His recent article on the misuse of the Inquisition for fomenting

politically motivated religious sectarianism is not only an interesting read, but has far Dale Luis Menezes: Interviewed by Devsurabhee Yaduvanshi on the reaching repercussions on how history is perceived and its potential future reformation. This scholarship on the Goa Inquisition article was the focus of our conversation, and it was intriguing to say the least! He also suggested logistical solutions to overcome hurdles in conducting thorough and unbiased research."
